Re: U.S. Patent Application Serial No. 10/658,022

Applicants wish to thank the Examiner for the courtesies extended to attorney John Woodson during the telephonic interview this morning, in which the Examiner noted that the above-noted application and co-pending U.S. Application No. 110/658,360 are both in condition for allowance with the exception of a provisional, non-statutory double patenting rejection therebetween. Accordingly, this Terminal Disclaimer is being filed to overcome the non-statutory double patenting rejections and place both applications in condition for allowance, as helpfully suggested by the Examiner.
